Sample Answer: Maintaining good health is incredibly important for a happy and productive life. To stay healthy, I always try to eat a balanced diet, which includes plenty of fruits, vegetables, and whole grains. Regular exercise is also a key part of my routine; I usually go for a run or cycle a few times a week. Getting enough sleep, typically around eight hours each night, helps my body and mind recover. When I do get sick, I make sure to rest adequately and drink lots of fluids, like water and herbal tea. If my symptoms are severe or don't improve, I always visit a doctor to get a proper diagnosis and treatment. Washing hands frequently and avoiding close contact with sick people also helps prevent illnesses.
