

Vision) نمونه سوالات جامع زبان انگلیسی دهم با پاسخنامه تشریحی (1)

از درس ۱ تا آخر

و "Vision 1" این مجموعه جامع از نمونه سوالات زبان انگلیسی دهم، بر اساس کتاب درسی سرفصل‌های مصوب آموزش و پرورش، برای آمادگی کامل دانش‌آموزان در امتحانات کلاسی و نهایی طراحی شده است. سوالات دربرگیرنده تمامی دروس کتاب، از درس اول تا آخر، و شامل بخش‌های مختلف واژگان، گرامر، درک مطلب و نگارش است. پاسخنامه تشریحی نیز به گونه‌ای تدوین شده که علاوه بر ارائه پاسخ صحیح، نکات آموزشی لازم را نیز در اختیار دانش‌آموزان قرار دهد تا یادگیری عمیق‌تر و مؤثرتری داشته باشند. تلاش شده است تا لحن و ساختار سوالات کاملاً طبیعی و مشابه با آزمون‌های استاندارد باشد.

مقدمه: راهنمای استفاده از این مجموعه

برای کسب بهترین نتیجه از این مجموعه، توصیه می‌شود ابتدا هر درس را به دقت مطالعه کرده و سپس به سوالات مربوط به آن درس پاسخ دهید. پس از اتمام پاسخگویی، می‌توانید پاسخ‌های خود را با پاسخنامه تشریحی مقایسه کرده و نقاط قوت و ضعف خود را شناسایی کنید. این روش به شما کمک می‌کند تا با آمادگی کامل در امتحانات حاضر شوید.

Lesson 1: Saving Nature

A. Vocabulary (واژگان)

1. Fill in the blanks with the most appropriate word. (پر جای خالی را با مناسب‌ترین کلمه پر کنید.) (extinct - protect - endangered - habitat - pollution) a. Many animals are becoming _____ due to human activities. b. We must _____ our environment for future generations. c. The destruction of their natural _____ is a major threat to

wildlife. d. Air _____ is a serious problem in big cities. e. Dinosaurs became _____ millions of years ago.

2. Choose the best option. (بهترین گزینه را انتخاب کنید.) a. A place where an animal or plant naturally lives is called its _____.

- 1) forest 2) habitat 3) desert 4) ocean

b. To keep something safe from harm is to _____ it.

- 1) destroy 2) damage 3) protect 4) lose

c. Animals that are in danger of disappearing forever are _____.

- 1) common 2) wild 3) endangered 4) domestic

B. Grammar (گرامر: آینده ساده)

1. Complete the sentences with 'will' or 'won't' and the verbs in parentheses. (جملات را با 'will' یا 'won't' کامل کنید و افعال داخل پرانتز را با 'will' یا 'won't' کامل کنید.) a. I think it _____ (rain) tomorrow. b. Don't worry, I _____ (help) you with your homework. c. (fast) A cheetah is _____ than a lion. c. (beautiful) This flower is _____ in the garden. d. (difficult) English is _____ than French for some people.

C. Reading Comprehension (درک مطلب)

Read the following text and answer the questions. (متن زیر را بخوانید و به سوالات پاسخ دهید.)

Many animals around the world are facing extinction. One of the main reasons is the loss of their natural habitats. Forests are cut down, and wetlands are drained to make space for human development. Pollution also plays a big role. Chemicals from factories and cars contaminate the air and water, harming animals and plants. Climate change, caused by global warming, is another serious threat. It changes weather patterns and makes it difficult for some species to survive. We need to take action now to protect these animals and their environments. We can start by reducing pollution, conserving energy, and supporting organizations that work to save wildlife.

Questions:

1. What is one of the main reasons for animal extinction?
2. How does pollution harm animals?
3. What is climate change caused by?
4. What can we do to protect animals and their environments? (Mention two things)

D. Writing (نگارش)

Write three sentences about how we can protect nature. (سه جمله درباره چگونگی حفاظت از طبیعت بنویسید.)

Lesson 2: Wonders of Creation

A. Vocabulary (واژگان)

1. Match the words with their definitions. (کلمات را با تعاریفشان مطابقت دهید.)

1. brain a. the star that the Earth goes around
2. heart b. the organ in your head that controls your thoughts and feelings
3. planet c. the organ that pumps blood around your body
4. sun d. a large, round object in space that moves around a star

2. Choose the best option. (بهترین گزینه را انتخاب کنید.) a. The _____ is the center of our solar system.

1) moon 2) Earth 3) sun 4) star

b. Our _____ helps us to think and learn.

1) hand 2) foot 3) brain 4) stomach

c. The _____ pumps blood to all parts of our body.

1) lung 2) heart 3) liver 4) kidney

B. Grammar (گرامر: ضمائر فاعلی و مفعولی)

1. Choose the correct pronoun (subject or object). (ضمیر صحیح (فاعلی یا مفعولی) را) a. (She / Her) gave (I / me) a book. b. (They / Them) are playing with (we / us). c. (He / Him) saw (she / her) at the park. d. (We / Us) invited (they / them) to the party.

C. Reading Comprehension (درک مطلب)

Read the following text and answer the questions. (متن زیر را بخوانید و به سوالات پاسخ دهید.)

The human body is a true wonder of creation. It is made up of billions of tiny cells, all working together to keep us alive and healthy. The brain, for example, is the control center of our body. It allows us to think, feel, learn, and remember. The heart is another amazing organ; it pumps blood throughout our body, delivering oxygen and nutrients to every cell. Our eyes allow us to see the beautiful world around us, and our ears help us hear sounds. From the smallest cell to the largest organ, every part of our body has a special function. Understanding these wonders helps us appreciate the complexity and beauty of life.

Questions:

1. What is the human body made up of?
2. What is the function of the brain?
3. What does the heart do?
4. Why is it important to understand the wonders of the human body?

D. Writing (نگارش)

Write three sentences describing one wonder of creation (e.g., the human body, the solar system). سه جمله درباره یکی از شگفتی‌های خلقت (مانند بدن انسان، منظومه شمسی) بنویسید.

Lesson 3: Value of Knowledge

A. Vocabulary (واژگان)

1. Fill in the blanks with the most appropriate word. (جای خالی را با مناسب‌ترین کلمه پر کنید.) (discover - invention - knowledge - research - scientist) a. Marie Curie was a famous _____ who won the Nobel Prize. b. The internet is a great _____ that changed the world. c. Through _____, we can find new information and solutions. d. It's important to always seek _____ and learn new things. e. Columbus helped _____ America.
2. Choose the best option. (بهترین گزینه را انتخاب کنید.) a. A person who studies science and tries to find out new facts is a _____.

1) teacher 2) artist 3) scientist 4) doctor

- b. The process of finding information about something is called _____.

1) playing 2) research 3) sleeping 4) eating

- c. The telephone was a great _____ of Alexander Graham Bell.

1) discovery

2) invention

3) experiment

4) theory

B. Grammar (گرامر: گذشته استمراری - Past Continuous)

1. Complete the sentences with the Past Continuous form of the verbs in parentheses. (جملات را با شکل گذشته استمراری افعال داخل پرانتز کامل کنید) a. I _____ (read) a book when you called me. b. They _____ (play) football all morning. c. She _____ (not sleep) when her mother came home. d. What _____ you _____ (do) at 8 o'clock last night?

C. Reading Comprehension (درک مطلب)

Read the following text and answer the questions. (متن زیر را بخوانید و به سوالات پاسخ دهید.)

Knowledge is power. Throughout history, great scientists and thinkers have used their knowledge to make amazing discoveries and inventions that have changed the world. For example, Isaac Newton discovered the law of gravity, which helped us understand how the universe works. Thomas Edison invented the light bulb, bringing light to homes and streets. Marie Curie's research in radioactivity led to new treatments for cancer. These individuals dedicated their lives to learning and exploring, proving that knowledge is the key to progress. By valuing knowledge, we can continue to solve problems, create new technologies, and improve human life.

Questions:

1. What did Isaac Newton discover?
2. Who invented the light bulb?
3. What was the result of Marie Curie's research?
4. According to the text, what is the key to progress?

D. Writing (نگارش)

Write three sentences about the importance of knowledge. (سه جمله درباره اهمیت دانش بنویسید)

Lesson 4: Traveling the World

A. Vocabulary (واژگان)

1. Fill in the blanks with the most appropriate word. (جای خالی را با مناسبترین کلمه پر کنید.) (tourist - destination - explore - ancient - famous) a. Isfahan is a _____ city in Iran, known for its beautiful architecture. b. Many _____ visit historical sites in Iran every year. c. Paris is a popular travel _____ for people from all over the world. d. We decided to _____ the old city on foot. e. Persepolis is an _____ city in Iran, dating back thousands of years.

2. Choose the best option. (بهترین گزینه را انتخاب کنید.) a. A person who travels for pleasure is a _____.

- 1) worker 2) student 3) tourist 4) farmer

b. To travel around a place to learn about it is to _____ it.

- 1) ignore 2) explore 3) hide 4) forget

c. Something that is very old and has existed for a long time is _____.

- 1) modern 2) new 3) ancient 4) future

B. Grammar (گرامر: حروف اضافه زمان و مکان و Place)

1. Choose the correct preposition (in, on, at). (حرف اضافه صحیح را انتخاب کنید.) a. The meeting is _____ 10 o'clock _____ Monday. b. I live _____ Tehran _____ a big apartment. c. She was born _____ 1990 _____ July. d. The book is _____ the table _____ the living room.

2. Complete the sentences with appropriate prepositions. (جملات را با حروف اضافه مناسب کامل کنید.) a. We usually go to the beach _____ summer. b. My birthday is _____ December 25th. c. The cat is sleeping _____ the bed. d. They arrived _____ the airport _____ 7 PM.

C. Reading Comprehension (درک مطلب)

Read the following text and answer the questions. (متن زیر را بخوانید و به سوالات پاسخ دهید.)

Traveling is one of the most enriching experiences a person can have. It allows us to see new places, meet different people, and learn about various cultures. When we travel, we often visit famous landmarks, explore ancient ruins, and enjoy local cuisine. For example, many tourists visit Paris to see the Eiffel Tower, or Rome to explore the Colosseum. Traveling also helps us to broaden our perspectives and understand the world better. It can be a great way to relax, escape from daily routines, and create unforgettable memories. Whether it's a short trip to a nearby city or a long journey to a faraway country, every travel experience offers something unique.

Questions:

1. What are two benefits of traveling?
2. What do tourists often do when they travel?
3. What famous landmark can you see in Paris?
4. How does traveling help us understand the world better?

D. Writing (نگارش)

Write three sentences about your favorite place to travel and why. (سه جمله درباره مکان مورد علاقه خود برای سفر و دلیل آن بنویسید)

Lesson 1: Saving Nature

A. Vocabulary

1. a. endangered b. protect c. habitat d. pollution e. extinct
2. a. 2) habitat b. 3) protect c. 3) endangered

B. Grammar

1. a. will rain b. will help c. won't come d. Will ... visit
2. a. the tallest b. faster c. the most beautiful d. more difficult

C. Reading Comprehension

1. One of the main reasons for animal extinction is the loss of their natural habitats.
2. Pollution harms animals by contaminating the air and water with chemicals from factories and cars.
3. Climate change is caused by global warming.
4. We can protect animals and their environments by reducing pollution, conserving energy, and supporting organizations that work to save wildlife.

D. Writing (Sample Answer)

We should recycle our waste to reduce pollution. We can also plant more trees to help clean the air. Supporting organizations that protect endangered animals is another important step.

Lesson 2: Wonders of Creation

A. Vocabulary

1. 1. b (brain - the organ in your head that controls your thoughts and feelings)

1. c (heart - the organ that pumps blood around your body)
2. d (planet - a large, round object in space that moves around a star)
3. a (sun - the star that the Earth goes around)

2. a. 3) sun b. 3) brain c. 2) heart

B. Grammar

1. a. She / me b. They / us c. He / her d. We / them
2. a. I b. us c. her d. He

C. Reading Comprehension

1. The human body is made up of billions of tiny cells.
2. The brain allows us to think, feel, learn, and remember.
3. The heart pumps blood throughout our body, delivering oxygen and nutrients to every cell.
4. It is important to understand the wonders of the human body to appreciate the complexity and beauty of life.

D. Writing (Sample Answer)

The solar system is a fascinating wonder of creation. It consists of the sun and all the planets that orbit around it. Each planet has unique characteristics, making our solar system incredibly diverse.

Lesson 3: Value of Knowledge

A. Vocabulary

1. a. scientist b. invention c. research d. knowledge e. discover
2. a. 3) scientist b. 2) research c. 2) invention

B. Grammar

1. a. was reading b. were playing c. wasn't sleeping d. were ... doing
2. a. I was watching TV when my phone rang. b. While she was cooking dinner, her children were playing. c. He was walking in the park when he saw an old friend.

C. Reading Comprehension

1. Isaac Newton discovered the law of gravity.
2. Thomas Edison invented the light bulb.
3. Marie Curie's research in radioactivity led to new treatments for cancer.
4. According to the text, knowledge is the key to progress.

D. Writing (Sample Answer)

Knowledge is essential for personal growth and societal development. It helps us understand the world around us and solve complex problems. By continuously seeking knowledge, we can innovate and improve our lives.

Lesson 4: Traveling the World

A. Vocabulary

1. a. famous b. tourists c. destination d. explore e. ancient
2. a. 3) tourist b. 2) explore c. 3) ancient

B. Grammar

1. a. at / on b. in / in c. in / in d. on / in
2. a. in b. on c. on d. at / at

C. Reading Comprehension

1. Two benefits of traveling are seeing new places and learning about various cultures.

2. When they travel, tourists often visit famous landmarks, explore ancient ruins, and enjoy local cuisine.
3. You can see the Eiffel Tower in Paris.
4. Traveling helps us to broaden our perspectives and understand the world better.

D. Writing (Sample Answer)

My favorite place to travel is Isfahan in Iran. I love its beautiful historical sites like Naqsh-e Jahan Square and Si-o-se Pol bridge. The rich culture and delicious food make it an unforgettable destination.
